## Novice Skaters

September 2011

Dear Parents and Skaters

As we are starting a new season, the registration team wants you to be well informed about the details of joining our club (again). These pages should provide you with a lot of details and if you require more/different information, we are here to help. You can always contact us at [registration@codiaccyclones.com](mailto:registration@codiaccyclones.com) during practice times at the rink or visit our website at [codiaccyclones.com](http://codiaccyclones.com).

We offer various programs for different skill levels. Adults are welcome as well and will skate with the group that best suits their skills. Please ask us, if you are not sure which level you will be. The season starts on October 13<sup>th</sup>, 2010.

Our Learn-to-Speed-Skate Program starts on October 16, 2011 and takes place every Sunday from 11:30 to 12:30. It is designed for children who have a basic knowledge of skating.

Boots only	\$ 75	
Blades only	\$ 50

The check for the damage deposit will be returned when the skates are brought back in good shape at the end of the season.

It is our goal that everyone has fun participating in the interesting and challenging sport of speed skating. We are looking forward to welcome you to our club soon.
